

Let's start with personal priorities. As you know, different people may have different personal priorities at different times in their lives. I would like to list several possibilities for you—and please tell me which one is your top personal priority these days, or if there is a different top priority you'd name instead.

2017 Data and Graphics Question 32

Now, I'd like to conclude with a few more questions about Palestinian-Israeli issues. Even if Israel were willing to recognize an independent Palestinian state, there are different views about whether the Palestinians should recognize Israel as a Jewish state, or as the state of the Jewish people. Let me read you some different views about that, and please tell me which one is closest to your own opinion.

	West Bank	Gaza	East Jerusalem
I would recognize Israel as a Jewish state, so long as its Palestinian citizens enjoyed equal civil rights.	11%	7%	11%

2017 Data and Graphics Question 33

**And if the Palestinian leadership is able to negotiate a two-state solution with Israel, do you think:**

	West Bank	Gaza	East Jerusalem
That should end the conflict with Israel and open up a new chapter in Palestinian history.	34%	47%	56%
The conflict should not end, and resistance should continue until all of historic Palestine is liberated.	55%	44%	32%
No opinion	12%	9%	12%

2017 Data and Graphics Question 34

As you may know, the PA publishes official maps, declarations, songs, and poems about the Palestinian people’s belonging to the land, which include cities like Haifa, Tiberias, Acre, Jaffa, and others inside pre-1948 historical Palestine. There are different views about this. Do you think:

	West Bank	Gaza	East Jerusalem
It shows that the PA’s real intention is to liberate all of historic Palestine someday.	28%	46%	24%
It should not be taken seriously, because the PA’s only goal is a Palestinian state in the West Bank and Gaza.	41%	27%	52%
It is a mistake, because it raises false expectations among Palestinians and unnecessary fears among Israelis.	27%	18%	8%
No opinion	4%	9%	16%

2017 Data and Graphics Question 35

Now, in the short run, there are different views about the approach Palestinians should take toward Israel these days. I will read you four different ideas about that, and please tell me which one comes closest to your own view.

	West Bank	Gaza	East Jerusalem
Palestinians should escalate the resistance against Israel, even if that makes life harder right now.	30%	34%	28%
Palestinians should negotiate the best political deal they can with Israel now, even if that requires giving up some of our claims, so that our people and our children can have a better life.	25%	30%	27%
Palestinians should focus more on practical issues of daily life, even if that leaves political problems unresolved.	25%	18%	30%
The current situation is preferable to any of those other options, even if things are not great right now.	17%	13%	7%
No opinion	3%	5%	8%

**And in the long run, which one of the following do you think is the most likely eventual outcome of the Palestinian-Israeli conflict?**

	West Bank	Gaza	East Jerusalem
Eventually, Israel will control almost all of Palestine, because of its power and foreign support.	18%	16%	9%
Eventually, Israel and the Palestinians will reach a political compromise to divide the land and live side by side.	18%	20%	23%
Eventually, the Palestinians will control almost all of Palestine, because God is on their side.	38%	42%	44%
Eventually, the Palestinians will control almost all of Palestine, because they will outnumber the Jews someday.	19%	17%	17%
No opinion	7%	6%	8%
